

LANDOWNER PRODUCTS & SERVICES

Products

Herbicides

Commonly used herbicides for spraying noxious weeds are kept in stock and available for purchase. Surfactants including spreader/stickers, dye, water conditioning agents and anti-foam are also available.

Seed

Range and Pasture seed, including custom seed mixes, can be ordered for purchase. Seed is not kept in stock but is normally delivered within 1-2 weeks following date of order.

Services

Herbicide Application Service

Hourly rate for herbicide application (backpack or ATV) – \$45/hour

Chemical costs are in addition to application costs.

Mileage will be charged at the rate of \$0.57 per mile after the first 10 miles (20 miles round-trip) from Monument.

Broadcast Reseeding Service

Hourly rate for seed broadcasting (handheld or ATV) – \$45/hour

Seed may be supplied by the landowner or purchased from the Monument SWCD.

Custom seed blends are available, please inquire.

Mileage will be charged at the rate of \$0.57 per mile after the first 10 miles (20 miles round-trip) from Monument.
